PART IV.

CHAPTER I.

Control.

120. It shall be the duty of the Lieutenant-Governor and of all Commissioners and Magistrates of districts, acting under the orders of the Lieutenant-Governor, to see that the proceedings of local authorities are in conformity with law and with the rules in force thereunder. The Lieutenant-Governor may, by order in writing, annul any proceeding which he considers not to be in conformity with law and with the said rules, and may do all things necessary to secure such conformity.

121. Every local authority shall at all times permit the Commissioner or the Magistrate of the district to have access to all its books, proceedings, and records.

122. The Commissioner or the Magistrate of the District shall have power at all times to enter on and inspect, or cause to be entered on and inspected, any immoveable property occupied by, or any work in progress under the orders of, or any institution controlled by, a local authority.

123. It shall be lawful for the Lieutenant-Governor to appoint an officer to be Inspector of Local Works in each Commissioner's division, or in more than one such division, and to sanction an establishment for such officer.

It shall be the duty of the Inspector of Local Works to inspect and advise with regard to all public works under construction or repair vested in, or in charge of, any local authority within the division.

The Inspector of Local Works shall also perform such duties and exercise such powers as may be assigned to him by any rules made by the Lieutenant-Governor under this Act.

The Inspector of Local Works may at all times enter upon, or cause to be entered upon, any immoveable property belonging to any local authority in the division or any work in progress under its direction, and may require it to furnish such statements, estimates and reports as he thinks fit. A report of every inspection shall be prepared and a copy thereof forwarded to the District Board concerned, through the Magistrate of the district.

In all matters of professional detail the local authority shall be guided by the report of the Inspector of Local Works.

124. The Magistrate of the district, or the Commissioner, may, by order in writing, suspend the execution of any order or resolution of a local authority within the jurisdiction of such Magistrate or Commissioner, or the doing of any act which is about to be done, or is being done, by such local authority, if in his opinion the execution of the resolution or order, or the doing of the act, is likely to cause injury or annoyance to the public, or to any class or body of persons, or to lead to a breach of the peace.

125. When the Commissioner is informed, on complaint made or otherwise, that a District Board has made default in performing any duty imposed on it by or under this Act, the Commissioner, if satisfied after due enquiry that such District Board has made default as alleged, may, by order in writing, fix a period for the performance of that duty.

If that duty is not performed within the period so fixed, the Commissioner may appoint some person to perform it, and may direct that the expense of performing it, with a reasonable remuneration to the person appointed to perform it, shall be forthwith paid by the District Board.

If the expense and remuneration are not so paid, the Commissioner may make an order directing the person having the custody of the balance of the District Fund to pay the expense and remuneration, or as much thereof as is possible, from that balance: and such person shall make payment accordingly.

126. In cases of emergency the Magistrate of the District may provide for the execution of any work, or the doing of any act, which a local authority is empowered to execute or do, and the immediate execution or doing of

which is in his opinion necessary for the service or safety of the public, and may direct that the expense of executing the work or doing the act, with a reasonable remuneration to the person appointed to execute or do it, shall be forthwith paid by the District Board.

If the expense and remuneration are not so paid, the Magistrate may make an order directing the person having the custody of the balance of the District Fund to pay the expense and remuneration, or as much thereof as is possible, from that balance: and such person shall make payment accordingly.

127. When the Magistrate of the district makes any order under sections one hundred and twenty-four or one hundred and twenty-six, he shall forthwith submit to the Commissioner a copy of the order, with a statement of his reasons for making it, and with any explanation which the local authority concerned may wish to offer, and the Commissioner may thereupon confirm, modify, or rescind the order.

128. In every case under the last preceding section in which the Commissioner confirms or modifies any order, he shall forthwith submit to the Lieutenant-Governor a copy of the proceedings, and the Lieutenant-Governor may thereupon confirm, modify or rescind the order of the Commissioner.

When the Commissioner makes any order under sections one hundred and twenty-four or one hundred and twenty-five, he shall forthwith submit to the Lieutenant-Governor a copy of the order, with a statement of his reasons for making it, and with any explanation which the local authority concerned may wish to offer. And the Lieutenant-Governor may thereupon confirm, modify, or rescind the order.

130. All powers conferred upon Commissioners and Magistrates of districts in regard to District Boards by sections one hundred and twenty-four and one hundred and twenty-six, shall be exercised in respect of a Union Committee by the Local Board, and in respect of a Local Board by the District Board.

The District Board may thereupon confirm, modify, or rescind the order.

When a District Board makes any order under this section it shall forthwith submit to the Magistrate of the district, for submission to the Commissioner, a copy of the order, with a statement of its reasons for making it, and with any explanation which the Local Board may wish to offer. If the Commissioner is dissatisfied with the order, he may report the matter to the Lieutenant-Governor, who may thereupon confirm, modify, or rescind the order.

131. If a District Board or Local Board is not competent to perform or persistently makes default in the performance of the duties imposed on it by or under this or any other Act, or exceeds or abuses its powers, the Lieutenant-Governor may, by notification specifying the reason for so doing, supersede such District Board or Local Board for a period to be specified in such notification.

132. When a District Board or Local Board is superseded under the last preceding section, the following consequences shall ensue—

Nevertheless it shall be lawful for the Lieutenant-Governor to direct that a Local Board re-established under this section shall consist entirely of appointed members, although such Local Board may have been established in a district mentioned in the third schedule of this Act.

133. If a dispute arises between two or more Union Committees within the area under the authority of a Local Board, the matter shall be referred to the Local Board, and the decision of such Local Board upon the matter so referred shall be final and binding.

134. If a dispute arises between two or more Union Committees within the areas under the authority of different Local Boards, the matter shall be referred to the Local Boards; and if the Local Boards cannot agree, to the District Board, and the decision of such Local Boards or District Board, as the case may be, upon the matter so referred, shall be final and binding.

Provided that, if the Magistrate is a member of one of the authorities concerned, his functions under this section shall be discharged by the Commissioner.

137. If any dispute, for the decision of which this Act does not otherwise provide, arises between two or more local authorities, or between a local authority or authorities, and a municipal authority or authorities, the matter shall be referred—

- (a) to the Commissioner or Commissioners of the division or divisions, if the local authorities concerned are in different districts; and
- (b) to the Lieutenant-Governor, if the local authorities concerned are in different divisions and the Commissioners of those divisions cannot agree.

And the decision of the Commissioner, or Commissioners, or of the Lieutenant-Governor, as the case may be, upon the matter so referred shall be final and binding.
